Note: Ages as of December 31st

* Each team may register a maximum of four (4) overage players, who must have been registered with the team in the previous season.

2 Residential Qualifications

(a) Teams based in Zone 9 are restricted to registering only players who meet the residential qualifications as set out below.

(b) All minor aged players (5 to 17 years old as of December 31st in the current playing year) must be permanent residents of Zone 9, or any Association from outside Zone 9, which, at the sole discretion of the Officers of Hockey Calgary, have been admitted for membership for a limited time. Minor age players registered with Hockey Calgary must play where their parent(s)/court appointed guardian(s) reside as of September 1st of the playing season. Residence of a player is defined as:

i) the parent’s usual residence when parents live in the same house, or if one parent is deceased, the usual residence of the surviving parent.

ii) in cases where both parents do not live in the same residence, the legal residence is the usual residence of the parent having legal custody of the player;

or,

if both parents have legal custody, the usual residence of the parent with whom the player usually lives;

or again,

if the player lives equally with both parents, his/her place of residence shall be determined by Hockey Calgary

iii) when legal custody has been granted to a third person, the usual residence of that person.

NOTE: the term “usual residence” is defined as four (4) out of seven (7) days.
NOTE: in the application of the above, the term “legal custody” and/or “legal guardian” refers to the granting of custody as determined by a Court of Law in one of the following circumstances:

i) the application of the Divorce ACT,

ii) in the case of an order enforcing or recognizing a legal separation agreement,

iii) loss of parental authority,

iv) when it is deemed the child’s development is compromised,

v) when both parents are deceased,

vi) married, or the equivalent of married.

c) If the minor aged player does not reside with either parent the player must reside with his/her legal guardian as defined under the Domestic Relations Act or the Child Welfare Act. Such player must have resided within the boundaries of Zone 9 as filed with Hockey Alberta for one full year prior to registration or must apply to Hockey Calgary for special consideration. Proof of guardianship and length of residency must be submitted and approved by Hockey Calgary prior to registration being accepted.

d) All Junior aged players (18 years or older as of December 31st in the current playing year) must be permanent residents of Zone 9, or any Association from outside Zone 9, which, at the sole discretion of the Officers of Hockey Calgary, have been admitted for membership for a limited time. A Junior aged player is expected to play with a team representing Community or Elite Hockey in which such player legally resides or is qualified to play. A release is required to play in another association. A Junior aged player playing in Zone 9 as per regulation Elite 7 is eligible to register with any of the Elite quadrants.

e) A minor aged player whose parents have joint custody and reside in different Elite or Community association boundaries shall continue to register in the Elite or Community association where they registered the previous season provided one parent still resides within the boundaries of that association. If neither parent reside within the boundaries of the previously registered Elite or Community association then the player shall register with an association where one of the parents resides. NOTE: If a player attends try-outs for Elite hockey and does not make a team then he/she shall be deemed to be resident of the Community Hockey Association where his/her parent lives that was used for Elite try-out registration.

f) A player may not establish residency for the principal purpose of playing or practicing hockey. Any player (and parent or guardian in the case of a minor age player) who has a permanent residence within Zone 9 for a period less than six months (either before or after the date of registration) may not be eligible to register with Hockey Calgary at the sole discretion of Hockey Calgary.

3 Player Registration

(a) No player shall participate in any game under the jurisdiction of Hockey Calgary before the player is either registered or in the process of being registered with the Hockey Calgary. This includes league and exhibition games after commencement of the regular league schedule, provided however, that the Executive Director of Hockey Calgary may waive this requirement of exhibition games if he/she feels it advisable to do so. Hockey Canada official team roster must be carried at all games sanctioned by Hockey Calgary.

(b) A player’s registration in the Hockey Canada Registry must include the player’s legal address. In the case of rural players, both the legal land location and the mailing address must be identified. In the case of urban players, the street address, or if the street address differs from the mailing address, both the street address and the mailing address must be identified on the Hockey Canada Registry official team roster.

4 Coaching Qualifications

(a) All teams in Hockey Calgary are required to have registered coaches and bench staff qualified in accordance with Hockey Alberta Regulation Annex E by November 15th of the playing season.

Teams in Novice and above will have the team registration revoked unless the head coach assigned to the team is appropriately qualified or is registered to be properly qualified by November 15th.

5 Hockey Canada Safety Program (HCSP)

The goal of the Hockey Canada Safety Program is for all hockey teams to implement effective risk management programs with their team where safety is the first priority both on and off the ice.

(c) The HCSP certification is valid for a period of three hockey seasons. During the third season the holder may recertify their HCSP certification for an additional three hockey seasons by attending a HCSP recertification clinic. HCSP certification is based on successful completion of the one day course. There is no equivalency for this course.

Note: If a team is naming Co-Head Coaches, both Coaches must possess the Minimum Coaching Qualifications for that age group.

18 Officials

Hockey Calgary requires that qualified and certified officials referee all levels of hockey.

(a) All major officials (referees and/or linesmen) will be assigned by the Central Zone Referees Committee (CZRC) in cooperation with Hockey Calgary. The referee’s duties are described in the Referee’s Case Book/Combination from Hockey Canada. (Note: in a 2-man system, the referees have equal status).

(b) For Community hockey, each team must supply two off ice officials for all games. Home Team will be responsible for the Timekeeper and Home Penalty box; the Visiting team will be responsible for the Scorekeeper and Visitor Penalty box. In Bantam AA, Bantam AAA, Minor Midget AAA, Midget AA, Midget AAA and Junior B the Home team must supply all off ice officials described above.

(c) All Off Ice Officials are responsible for conducting their duties in a manner that displays sportsmanship and shows fair play and respect to all participants. As neutral off ice officials assisting the referee in proper conduct of the game they are significant contributors to the management of the game. Should their behavior warrant disciplinary action they may be relieved of their duties by the Referee or other Hockey Calgary official.

(d) Should any off ice official be removed from their duties during a game, due to their behavior before, during or after the game has been played, they will be automatically suspended from attendance of the next two games of that team.

(e) A suspended Off ice Official is not permitted in the arena or adjoining building to the arena while he/she is under suspension. The use of any or all communication devices cannot be used between any suspended coach, manager, non player team official, spectator or player and the team is prohibited. Nor can any person so suspended utilize an intermediary to conduct such communication, either verbally or via a device. The suspension will include 1-hour prior - until 1 hour after the suspended game.

(f) Any off ice official who is removed pursuant to this regulation will not be allowed to continue their duties as an off ice official for the remainder of the season.

(g) Any complaints about referees or other major officials by coaches, managers, players or spectators must be sent to the Member association President for endorsement and onward delivery to Hockey Calgary for possible action.

19 League Chairs/Coordinators

(a) It will be the duty of the League Chair/Coordinator to supervise and direct the conduct of the teams, managers, coaches, players and spectators coming under his/her jurisdiction. He/she has the authority to rule on any team, team official, player or spectator who contravenes or breaks any of the rules and
regulations established by Hockey Calgary.

(b) A League Chair/Coordinator or other Hockey Calgary official may deal with anyone associated with a Hockey Calgary registered team who, in his/her opinion, is guilty of conduct unbecoming the game of hockey. He/she may suspend a team, team official, player or spectator for up to three games. The Chair/Coordinator, in liaison with the Category Governor, may extend the suspensions to five games. Any suspension that might warrant longer duration will be referred to the Hockey Calgary Special Committee for judgment.

(c) A League Chair/Coordinator or other Hockey Calgary official has the authority during a game or other activity under the auspices of Hockey Calgary to ask any participant or spectator to leave or not to enter a City of Calgary or Community Arena if in his/her sole opinion the participant or spectator is exhibiting behavior deemed to be unbecoming or detrimental to the game of hockey. In the event of a suspended player playing in, or a suspended team official participating in a game, the game may be forfeited and the Head Coach may be suspended pending a hearing by Hockey Calgary.

The penalty for a Head Coach that allows a suspended player or team official to participate in any game is up to a three-year suspension.

(c) Players or team officials receiving a game or gross misconduct for any reason must contact their League Chair/Coordinator prior to participation in their next League, Minor Hockey Week, Play-off, Tournament or Exhibition game. In almost all cases a one or two game suspension will be assessed which will be applied to the next scheduled game and will follow the criteria set out (b) above. If the League Chair/Coordinator or other Hockey Calgary official are not available, the player or team official(s) cannot participate in any League, Minor Hockey Week, Play-off, Tournament or Exhibition games until he/she/they has sat out one League, Minor Hockey Week, Play-off or Tournament game in the case of a Game Misconduct or two games in the case of a Gross Misconduct. The player or team official(s) cannot participate in any Exhibition games until the suspension has been served.

(h) A player or team official that has been indefinitely suspended will be notified in writing by the Game and Conduct Director (other than automatic Minimum Suspensions Guidelines which are outlined in this manual and must be followed). In the event of a suspended player or team official participating, the game may be forfeited to the non-offending team and the coach may be suspended indefinitely, until the matter is ruled on by the Special Committee of Hockey Calgary.

(i) Should an on ice official be suspended while participating as either a player or team official for no more than one (1) game as outlined in Minimum Suspensions, the official will be permitted to continue to officiate with no restrictions. Should an on ice official be suspended while participating as a player or team official for more than one (1) game as outline in Minimum Suspensions, the official will be permitted to officiate assigned games during the day immediately following the suspension. At the conclusion of that day, the on ice official will be required to serve his suspension.

Deviation from this policy for purposes of completing rosters for teams where player numbers are restricted must be approved by Hockey Calgary. Player acceleration is not recommended. Four year olds playing in Timbits (Initiation) is permitted at the discretion of the Member association.

(b) No minor aged player may be registered to a team after January 10th. Junior aged players can be registered to a team until February 10th provided they were not registered on another team after January 10th.

(c) A player not having registered with Hockey Calgary prior to January 10th may apply to Hockey Calgary through the Executive Director, for special permission to register with a local team providing the team with which he/she wishes to register does not have a full roster. Any player receiving such permission would not be eligible for participation in Provincials due to Hockey Canada restrictions.

8 Release Policy
(a) Any player requesting a release from his/her Home (resident) Association must first apply to Hockey Calgary for approval. The Hockey Calgary Registrar will inform the applicant of the decision after consultation with all affected Associations. Release applications are available through the Hockey Calgary website.

(b) Once a player is released by Hockey Calgary and his/her resident Association, in the second year of an age category, an application for release is not required in order to remain in the same Association as the player played in his/her first year of an age category. This will be controlled and administered through the Hockey Calgary office.

(c) Once a player is released by Hockey Calgary and his/her resident Association, in subsequent years, an application for the next category can be submitted which may receive an automatic release to the next category. This will be controlled and administered through the Hockey Calgary office.

(d) No player will be allowed to skate or try out in any hockey program until he/she has been properly released by Hockey Calgary as well as received any waivers, which may be required to allow him/her to play in the Association of his/her choice. The normal restrictions apply for signing a player who has signed with another team, either community or Elite, for the current season.

9 Affiliation

Each team may have affiliated with it up to 19 named players (with Hockey Calgary’s approval) in a lower division or age category from within the Community. Players can only be affiliated to one team. In the cases where a lower division team is split to provide affiliates to more than one higher division or category teams the players on the lower team must be named.

(a) A team having no lower division or category team to affiliate with may affiliate with a team of lower division or category in any adjacent Community providing this Community approves of the affiliation in writing.

(b) All affiliations must be filed with the Hockey Calgary office and approved prior to the affiliated player being allowed to participate, in any game, with the team to which he/she is affiliated. Affiliations will be accepted and approved by Hockey Calgary up to and including December 15th of the current playing season. Affiliation will only be recognized where:

(i) players are added to the teams in the Hockey Canada Registry and identified as “affiliates”

(ii) the Hockey Calgary Executive Director or his/her designate(s) acknowledge receipt and identify said players as approved prior to an affiliate player participating in any game with the hockey team to which he is affiliated

Any player participating in any game as an affiliated player without the approval of Hockey Calgary shall be considered an Ineligible player and team officials shall be subject to applicable discipline.

NOTE: all Association affiliations must be approved by Hockey Calgary prior to any player participating as an affiliate. All affiliations shall terminate at the end of the current playing season.

Please note that there are no default affiliations for the current seasons. An affiliation list must be filed with Hockey Calgary prior to the first league game in the fall before any player can play as an affiliate or any team can use an affiliate player.

10 Eligibility for use of Affiliated Players

(a) Affiliated players may be used in place of players registered on a team, subject to the maximum number limitations described below. Affiliated players may be used to replace injured players or players that will be absent for any reason, but not, subject to the conditions as described below, to replace players suspended by Hockey Calgary.

(b) A player who is neither a Canadian citizen nor a landed immigrant who is registered with Hockey Calgary
is ineligible to participate as an affiliate player (Hockey Canada Rule Players F 5(d)(ii)).

(c) For games within Hockey Calgary, the maximum number of players, including affiliate players, which will be allowed to be shown on any official game report must not exceed the total number of players registered on the team except in Pee Wee, Bantam and Midget where teams have only one (1) designated goaltender. Teams can replace injured players and/or absent players with affiliated players to bring the team up to their roster size. The team roster size will be reduced by one for each player that is under a suspension imposed by Hockey Calgary for that game. This reduction in roster size will not be less than 13 skaters in body checking divisions, or 11 skaters in non-body checking divisions. Outside of Calgary, teams may affiliate up to the maximum team size allowed by Hockey Canada rules.

(d) Pee Wee, Bantam and Midget teams with only one (1) designated goaltender may exceed their roster size by one (1) in order to have a back-up goaltender listed on the official game report. The back-up goaltender must be an affiliated player or an approved substitute goaltender and designated as a goaltender in the Hockey Canada Registry. This will not count towards the maximum of ten (10) games unless the affiliated player is called into action.

11 Procedure for use of Affiliated Players

Games are defined for the use of affiliates as Hockey Calgary scheduled league games, the first game of Minor Hockey Week (the second and subsequent games during Minor Hockey week do not count in the total for use of affiliates), playoff games, and Provincial Playoff games. All associations will follow the Hockey Canada regulation for Affiliations (Bylaws Book - Section (E), Rule 35-39). Please see www.hockeycalgary.com to download a complete Hockey Canada Bylaws book.

(a) A player of a team of lower division or category may play a maximum of ten (10) games. If the player’s registered team completes its regular season and playoffs before the player’s affiliated team, the player may thereafter affiliate an unlimited number of times.

(b) Exhibition and Tournament games do not count in the total for the use of affiliates.

(b) When a higher division club uses an affiliated player they must signify same in writing (a’p or AP) after the player’s name on the official game report.

(c) When using an affiliate player, the higher team must obtain the permission of the lower team and have the sanction of the League Chair. Failure to obtain permission to use the affiliate player or to obtain the sanction of the League Chair may result in the loss of 2 game points and the coach of the higher team receiving a one game suspension.

12 Novice Affiliation

(a) The principle of affiliation at the Novice category is to provide replacement players when regular team players are ill, injured or otherwise unavailable.

(b) When a Team has less than twelve (12) registered players, Affiliated Players may be used to increase the number of players on the game sheet to a maximum of twelve (12) players (ie. – when Affiliated Players are used in a game, the maximum number of players allowed to be placed on the game sheet is twelve (12). The maximum number of twelve (12) includes the total of both registered team players and Affiliated Players)

(c) Affiliated players will only be allowed in situations where registered team players are unavailable to the team because of

(i) illness
(ii) injuries
(iii) inadequate numbers of registered team players to play a game

(d) Affiliated players must be approved by Hockey Calgary before they are used as an affiliate.
(e) Novice affiliations must be added to the teams in the Hockey Canada Registry by the association and identified as approved prior to the affiliated player being allowed to participate in any game with the hockey team to which he is affiliated. Affiliations will be accepted and approved by Hockey Calgary up to and including December 15th of the current hockey season.

(f) An affiliated Novice player may not play more than five (5) games with the affiliated team in the current hockey season, excluding exhibition and tournament games.

NOTE: There will be no affiliations allowed within the division of Timbits/Initiation. There will be no affiliations allowed from Timbits/Initiation up to Novice.

1. If the tied teams have played each other an equal number of times league positions are assigned based on results of games between the tied teams. The team with the highest number of points in the games between the tied teams takes the top available position and so on until all available positions have been filled. If the tied teams have not played each other an equal number of times or if teams are still tied then:

2. Tied teams are assigned league positions based on number of wins, with the largest number of wins taking top available ranking, and so on.

3. For teams which are still tied, league positions will be assigned based on the ratio of goals for divided
by goals against for all league games played, with largest ratio taking top available position and so on.

(e) Playoffs will consist of a double knockout format (i.e. a team must lose twice to be eliminated).

(f) Every attempt will be made to not allow Playoff games to end in a tie. Should the teams be tied at the end of regulation time, a sudden victory overtime period will be played. If a goal is scored during an overtime period the team scoring the goal will win the game.

25 Playoffs-Overtime

(a) To commence overtime, each team will place four players (this may be 4 skaters and no goaltender or 3 skaters and a goaltender. The goaltender may be replaced by a skater at any time.) The teams will not change ends for the overtime period, and the time clock will be set for three minutes. All overtime periods will be stop time. Teams may change on the fly at any time.

(b) If the overtime period has expired and the game remains tied, a shoot-out will determine the winner.

(c) If a game is still tied at the end of the maximum permit time (regulation time plus the overtime as permitted by Hockey Calgary plus any extra time allowed by the arena staff) a subsequent “overtime game” will be scheduled by Hockey Calgary. In the “overtime game” the teams will begin the overtime format from the beginning (a five minute period playing 4 players on 4 (including the goaltender) as described above) followed by a shoot-out as required. The Executive Director may revise this format prior to the “overtime game” being scheduled.

26 Penalties During Playoff Overtime

(a) Penalties incurred in regulation time and not completely served will carry forward into overtime, and will be completed in overtime unless the game is ended.

(b) A “time” penalty call in any of the overtime periods will result in a penalty shot(s) being awarded to the non-offending team for each time penalty called. A “time” penalty is defined as a two minute minor, double minor, five minute major penalty and/or a five minute match penalty where a player(s) would make his/her team short handed. If a 10 minute misconduct, game misconduct or gross misconduct penalty is called without an associated “time” penalty, the player will either sit in the penalty box (in the case of a 10 minute misconduct) or leave the ice and retire to the dressing room (in the case a Match penalty, Game Misconduct or Gross Misconduct).

(c) If both teams receive a time penalty or penalties on the same stoppage of play then each team will take a penalty shot(s) with the home team shooting first. In the case of multiple penalties being assessed to both teams, a penalty shot will be awarded to the non-offending team for each time penalty called against the offending team. The teams will shoot one shot each until all time penalties have been accounted for. If the teams are still tied after all penalty shots have been taken, overtime will continue.

(d) The player who has been fouled will take the penalty shot unless he/she has been injured. If the fouled player is injured or if the referee cannot determine a specific fouled player, any eligible player on the non-offending team may take the penalty shot.

(e) Any player who is ejected from a play-off game is not eligible to participate in the overtime periods of the play-off game or in the “overtime only” game as described in Community Rule 24 above, if required.

(f) The “overtime only” game is considered a continuation of the original play-off game and does not count on its own as a game for the purposes of suspensions served.

Suspensions issued by League Chairs or other Hockey Calgary officials that are a result of a referee's judgment call and follow the Minimum Suspension Guidelines will not be reviewed.

1 Elite Hockey Council

The Elite Hockey Council is formed of dedicated people selected from the Hockey Calgary member Associations in accordance with terms of reference provided by Hockey Calgary and while open to suggestion, will not tolerate any exception to the following rules. Any rule violations may result in suspension and forfeiture of points. The administration of Elite hockey, including the Calgary Teams participation in the Alberta AAA Midget Hockey League (AMHL), is under the direction of the Elite Council and Hockey Calgary.

2 Boundary Review

Boundary reviews should be prepared for Elite Council by an appointed Committee of members that are NOT connected to the Elite Associations.

Elite association Presidents will meet to discuss boundary needs and if an agreement can be reached, the need to appoint a committee will not be necessary.

Final registration numbers for Hockey Calgary should be the signal for a review only if a 10% differential in any of the Quadrants’ total numbers exists.

Criteria:
   a) Number of players graduating from teams in Division One, Division Two and Division Three.
   b) Total number of graduating players eligible for AA Bantam.
   c) The community boundaries must be protected and remain the same if possible, and any change or split in community boundaries would require a meeting with the affected association. Communities not affected by a change need not be involved.
   d) A final decision will be approved by Elite Council and is subject to ratification by Hockey Calgary.
   e) New areas that are considered the future of Elite Quadrants should be monitored in order to realize the Development of players that will enter the Elite System, by numbers and also the year the player is to move into Elite Hockey.

The importance of keeping the communities involved creates more interest and continued Development of players. Without the continued development of community based players, the cream cannot and will not rise to the top.

The Grandfather clause will be restricted to graduating Pee Wee players who have brothers or sisters playing in Elite Hockey, therefore, the players involved in a Boundary change will report the same year of the change to their new Quadrant. If changes to the boundary are forthcoming, players previously signed by Elite teams must remain the property of that Association.

A defending player is permitted to “close off the gap” between the attacking player and the boards. A defending player does not have to move so as to get out of the path of the attacking player. Teams can replace injured players and/or absent players with affiliated players to bring the team up to their roster size. The team roster size will be reduced by one for each player that is under a suspension imposed by Hockey Calgary or RHC for that game. This reduction in roster size will not be less than 10 skaters in RHC. Affiliate Players may be used only when a team has fewer than 10 skaters.

(d) If a team’s designated goaltender(s) is injured or ill, another designated goaltender from the same or a
lower division may be used. Division Coordinator approval should be obtained. This rule only applies to the all age categories.

(e) Any game sheet that shows an affiliate with over 10 registered team skaters will be deemed to have used an ineligible player and subject to the sanctions of using such a player.

(f) Players who play within RHC cannot affiliate to or play for teams within the competitive divisions (this includes Community Pee Wee, Bantam, Midget and Junior C, and Bantam AAA, Minor Midget AAA, Midget AA, Midget AAA, Junior B, High School Hockey and Female Divisions).

(g) Players who play goal or designated goaltenders within the competitive divisions of Pee Wee, Bantam and Midget can affiliate with the permission of Hockey Calgary for the purposes of playing goal within RHC. The maximum number of games that a player or designated goaltender plays goal within RHC is unrestricted if enough goaltenders are not available within RHC. Players who play goal and designated goaltenders from teams within the competitive divisions who affiliated to RHC for the purposes of playing goal within RHC can also affiliate to one team within the competitive division as per the normal affiliation procedures set out in Community Rules 12 and 13. However, the preferred affiliate goaltender is always another goaltender already registered in RHC.

11 Procedure for use of Affiliated Players

(a) In RHC, an “Affiliate Player” is any other player who is registered in RHC only in the same age bracket or in the next younger age bracket.

(b) Affiliate players can only play a maximum of 10 times for another team during the season. Coaches who use an ineligible player(s) will be subject to a game suspension for each game played over the maximum of 5 games.

(c) Games are defined for the use of affiliates as RHC scheduled league games only. All games of Minor Hockey Week and YET, coaches can not use any affiliate players except a goaltender already registered in RHC only. Violation of this rule will result in the offending team forfeiting any victory obtained while using the ineligible player(s).

(d) When a higher division club uses an affiliated player they must signify same in writing (A/P) after the player’s name on the game sheet.

(e) When using an affiliate player, the higher team must obtain the permission of the lower team and have the sanction of the Division Coordinator indicated on the game sheet on which the affiliated player’s name appears. Failure to obtain permission to use the affiliate player or to obtain the sanction of the Division Coordinator may result in the coach of the higher team receiving a one game suspension.

(f) A team may “loan” their opponent a player or two when one team has a full bench and the other is short. Please inform the Referees before doing so. All loaned players must have (A/P) after the player’s name on the game sheet and a short note attached to the email game sheet explaining the situation.

(e) Players not registered with Hockey Calgary will at no time be allowed to play as an affiliate player.

12 Short Bench for both Teams

(a) Teams may choose to play “4 on 4” by agreement of the Coaches involved. Short teams must have eight (or fewer than eight) skaters. Please inform the Referees before doing so.

HOCKEY CALGARY

FAIR PLAY CODES

The fair play codes are set out in Hockey Canada’s booklet Safety Requires Teamwork – An information guide to Hockey Canada’s Risk Management and National Insurance Programs. The fair play codes are a set of guidelines for players, coaches, parents, officials, spectators and league organizers set out to promote positive hockey experiences. Fair play is important from a developmental perspective as well as from a risk management perspective.

It is the policy of the Hockey Calgary that the Fair Play Codes be followed by all member associations affiliated with Hockey Calgary including Elite, Community, Girls Hockey, and Recreational Hockey.

For the most part the fair play codes are clear. However, for coaches there is a provision, which states, “I will ensure that all players get equal instruction, support and playing time.” The use of the term “equal” is generally understood. However, there is a tendency among a small minority to mis-interpret the term “equal” with “earned” or “fair” which allows for entirely different interpretations of the intentions of the fair play codes. Some individuals will acknowledge that the fair play codes apply and then claim you can shorten the bench in the last five minutes of a game, in a tight situation or in playoffs. Allowing variances in the interpretation of fair play only increases a broader degree of confusion for the rules of minor hockey.

Fair play is intended to allow all players an equal opportunity to develop their skills in Hockey. Development occurs in both practice and game situations. And within the game itself, there are different situations where each player should be afforded the opportunity to develop his or her skills, whether it is power play, penalty kill, playoffs or tournaments.

The following policy respecting ice time is intended to ensure a consistent application of the fair play codes throughout the Hockey Calgary network with an emphasis to ensure all players are provided equal opportunity to develop his or her hockey skills in every game situation. The policy applies to Elite Hockey, Community Hockey, Girls Hockey, Recreational Hockey and High School Hockey.

FAIR PLAY POLICY RELATING TO COACHES

The head coach is responsible for allocating more or less playing time to individual athlete members in any particular game but should ensure that over two to three games the playing time per athlete member is relatively equal. This includes all games and practices, home or away, exhibition, regular season, playoff or tournament. This policy applies to all levels of hockey administered under Hockey Calgary including Elite Hockey, Community Hockey, Girls Hockey, and Recreational Hockey.

The following policies should be reviewed and followed by all coaches and the principals of fair play openly communicated by all Member associations and Hockey Calgary to its members and directors.

Goalies

A regular rotation for goalies should be strived for throughout the hockey season that will result in an equal number of games played by each team goalie. The rotation is subject to changes in the event of injuries or sickness or suspension. A one game rotation of goalies should occur during all playoff, Minor Hockey Week, exhibition and Tournament Play.

Players

A regular rotation of players should be strived for at their playing position throughout a game including power play and penalty killing, noting that the game includes the last five minutes and overtime. Each team should designate playing positions; defense, left wing, right wing, centre and no team should have a dis-proportionate number of designated forwards for a game (i.e. if there are five left wingers and three right wingers, one of the left wingers should become a right winger). If there are ten forwards and five defencemen, then one of the forwards should play defence.

For those coaches wishing to utilize a special teams unit for either power play or penalty killing, those coaches, as a tool for themselves, should establish a listing (Special Teams Log) of their designated units for each five game (or
shorter) rotation. Such listing to show each player receiving an equal participation on those designated units. It is recommended that those listings be kept by the coach for the duration of the season.

Coaches choosing not to maintain a Special Teams Log should not utilize a separate power play or penalty killing unit for games. The power plays or penalty killing lines should simply be the next line in the regular rotation.

Junior B & C Team Rosters

Junior B or C teams with rosters in excess of the maximum allowable playing positions should establish a rotation of players that will be required to sit out of the line-up in those situations where healthy scratches are required. The rotation should result in all players taking a turn as a healthy scratch if a sufficient number of healthy scratches are required.

Affiliates

Teams are encouraged to bring up affiliated goalies in order to ensure the team has a back-up goalie for each game. It is the coach’s discretion as to whether an affiliate goalie plays or not, however, in extended situations where an affiliate is required, the regular team goalie should not receive less game time than what the regular rotation would have provided.

If a team chooses to bring up an affiliate it is recommended teams do not bring up affiliated defencemen that would provide a contingent greater than six for each game or affiliated forwards that would provide a contingent greater than nine forwards for each game.

Teams must recognize Hockey Calgary rules restricting the number of affiliations and not increase the team size to greater than the team roster.

Player Discipline

Coaches should use discretion to sit a player for the first period, or portion thereof, of a game in the event a player has developed a habit of missing practices within a set reasonable limit or arriving late for games. The requirements to sit a player should be documented and if repeated occurrences are considered necessary, the reasons should be reported to league administrators.

Coaches should have the discretion to sit a player for a period, or portion thereof, for objectionable conduct of the player (Swearing, inappropriate hits).

All coaches wishing to implement “team rules” should submit those “team rules” to their member association for approval by the Governor responsible for hockey operations. “Team Rules” should be reasonable and respect the varying needs of all players.

Fair Play Discipline

Every Hockey Calgary Member associations should have a Director responsible for games and conduct. All parent’s or player’s that feel that the fair play codes for their team is not been adhered to are encouraged to discuss their concerns with the coach on a private basis.

Should the concerns of the parent or player not be addressed or satisfied then the parent or player should feel comfortable reporting such non-compliance to the Director responsible for Game and Conduct for their Member association.

Each Member associations should establish internal policies and procedures to ensure full compliance with the fair play policy by all coaches.

Only after an individual has exhausted all avenues of appeal within their Member association should that individual raise such issues with Hockey Calgary.
